Re: Time Extension Request, Larson Limestone, Pelican Point Quarry, M/049/011, Utah County, Utah

Dear Mr. Larson:

Thank you for your November 24, 1997 letter, which requests a time extension until December 15, 1997 to submit a response to our October 2, 1997 Large Mining permit application review document. Our review letter requested a response by November 20, 1997. After giving full consideration to the circumstances surrounding your extension of time justification, we hereby approve of your request.

We and the Board of Oil, Gas and Mining are anxious to finalize the permitting process for the Pelican Point Quarry in a timely manner. We look forward to the receipt of your response no later than December 15, 1997. If you have any questions in this regard, please contact me at (801) 538-5286.

Sincerely,

for D. Wayne Hedberg
